powerful rationale for environmental protection: enlightened self-interest (Dernbach J. C., 1998, p. 2 20). This inherent interdependence between the long-term stability of the environment and the economy is the foundation of the field of sustainable development. Similar to Porter's win-win hypothesis that a trade-off isn't necessary, sustainable development policies look to tackle the ...

Personal Development Planning for Students - A Guide for Staff

Professional development is defined as "the process of improving staff skills and competencies needed to produce outstanding educational results for students" (Hassel, 1999). As Thomas Guskey (2000, p.4) states, "One constant finding in the research literature is that notable improvements in education almost never take place in the absence of professional development." Professional ...
