The economic history of the United Kingdom deals with the economic history of England and Great Britain from 1500 to the early 20th century. (For earlier periods see Economy of England in the Middle Ages and Economic history of Scotland).

**Economic history of the United Kingdom - Wikipedia**

Due in part to the recession--technology and necessity has amplified the requirements and pace of this change. It's not all bad news though, the truth of the matter is that the recession is providing opportunities to people in certain segments of the business world--administrative assistants are one of them.
