Income inequality in the United States is the extent to which income is distributed in an uneven manner among the American population. The inequality has increased significantly since the 1970s after several decades of stability, meaning the share of the nation's income received by higher income households has increased.

These sexist words minimise womenâ€™s achievements. Mummy blogger. Female engineer. Thatâ€™s good, for a girl. Like a girl (run like a girl, throw like a girl).

Everyday Misogyny: 122 Subtly Sexist Words about Women

Thanks to MR Pilger for his many years of service to humanity. He correctly identifies identity politics as just a diversion, siphoning people off into absurd political micro-factions and rendering them as harmless squabbling fools blind to the dangers of Clinton and the rest of that faction.
