**Self-Renewal " the Individual & the Innovative Society (Paper)**

As with any book written in 1965, some of the concepts and phrasing is dated, but there is still much that is contemporary and continues to define the individual's quest for self-renewal balanced against the realities of

the larger society. The forces that nurture, and those that stifle innovation are remarkably well-laid out and hold true to the present day.

### **Self-Renewal: The Individual and the Innovative Society by**

The individual who has become a stranger to himself has lost the capacity for genuine self-renewal. Related to self-knowledge and of equal importance to our capacity for self-renewal is cultivating our capacity for love , as well as our capacity for friendship .
