Typically, the separation of powers refers to Montesquieu's version of the three main institutions of state, though this is often complicated by different layers of authority, such as the supranational Commission, Council, Parliament and Courts of the European Union.

The Separation of Powers

Peter Shore sweeps away the myths of Britain's role in European integration. Using examples from his own experience as a Cabinet Minister, Shore shows that at all major points of decision there has been another way - one that has not yet been closed off.

The Ancient Roads of Britain were pre-Roman By John Chaple Britain, especially England, is renowned for its quaint medieval villages, towns and cities. It is also known for its medieval winding roads and lanes. But, are these roads really medieval? It is a deceptively simple question but one that is rarely asked, so how can you tell how old one of these distinctive roads is? The answer ...
